Transient yachtsmen must have minimum liability coverage of no less than \$1,000,000 on a boat larger than 25' and \$500,000 if their boat is smaller than 25'. Naples Yacht Club may request a copy of the insurance and ownership at any time. A boat without proof of the required insurance and ownership is not permitted to use our facility.

I have received a copy of the "Information for Transient Yachtsmen" and I agree to comply with all that are stated therein.

INFORMATION FOR TRANSIENT YACHTSMEN

The Naples Yacht Club is pleased to welcome yachtsmen from sister clubs which belong to Florida Council of Yacht Clubs--and other clubs NYC has reciprocal agreements with--and to offer them the use of the Club's facilities. This courtesy is available for a maximum of four consecutive days and not more than nine days within a 30-day period per year. The Club offers the following services besides dockage: pump outs, fuel and showers. (Please contact the NYC Harbormaster for these services 239-262-7301.)

1. To use club dining, you must register with our receptionist; your home club must present verification of your membership to the NYC before registering, notwithstanding FCYC Membership. Our front office email is reservations@naplesyc.com. Upon completing the registration form, you will be issued a "Guest" card which we ask that you present each time you use Club facilities. Please note that neither smoking nor the use of cell phones is allowed in the clubhouse. However, texting is permitted. Please place your phone on "vibrate."

2. Visitor transactions must be paid for at the time of service with VISA or MasterCard only as we do not permit charges to your home club account. Members of FCYC clubs are permitted the option to charge back F&B and dockage charges.

3. Note that all Club rules apply equally to visitors. We call your attention to our Dress Code: We respectfully request that visitors assist in upholding our dress code tradition. In the Boaters' Grille and Yardarm: Minimum standard is: Collared shirts, shorts or slacks and shoes for gentlemen; shirts or blouses, shorts, slacks or skirts and shoes for ladies. Blue jeans, blue jean skirts, swimsuits and cover-ups are considered inappropriate in the Clubhouse. All hats are to be removed when dining. Please note that this code applies to both adults and children in all restaurants.

Harbor and Dock Rules

1. Because the slapping of halyards creates a nuisance, sailboat owners are required to tie them off. If this is not done, the Dockmaster is authorized to contact a designated marine service facility to have it done, and the owner will be liable for the expense.
2. Shouting or loud playing of radio, TV, etc., is not permitted.
3. Generators shall not be run between 8 p.m. and 8 a.m.
4. No garbage, trash, oil, paint, oily water, rags, sewage, etc., shall be thrown or pumped overboard. A pump out facility is located at the fuel dock.
5. In the event of a fuel spill, the Dockmaster has the authority to notify the proper authorities. The boat owner will be responsible for all associated costs to clean up.
6. Animals must be on leash. However, they are not allowed in the Clubhouse. The designated pet area is the grassy island in the middle of the main parking lot. You MUST clean up after your pet. Feeding of other animals anywhere on Club property is prohibited.
7. NYC is a non-tipping facility; however, tipping is permitted to the Dockmaster and dock staff when assisting with docking.
8. Cooking must be confined to the boat galley. No BBQ grills or open fires are permitted.
9. Pump-out services are available at the fuel dock. The discharge of waste into the Harbor is strictly prohibited and unlawful. All boats must comply with all applicable regulations.
10. The Owner agrees that neither the Vessel nor the slip shall be used for commercial purposes which shall include, but are not necessarily limited to, chartering, carrying passengers for hire, sales, demonstration, repairs, outfitting or alterations of vessel for gain or profit.
11. Members or guests may fish from within their vessel. Fishing anywhere else on the docks or seawalls is only permitted at the discretion of the Dockmaster. Cleaning fish anywhere other than on the Member's or guest's vessel is prohibited. Fish waste must be put into approved garbage containers.
